

NOV / DEC T's & C's 2020

Dear Patron,

Thank you for your enquiry about our Christmas options.

It gives me much pleasure to let you in on our Rodizio Christmas secrets...

Enclosed are 3 set menu options with differing price structures.

Please choose one for your function. We are able to seat up to 150 guests.

Rodizio also offers a real Carnival atmosphere for lunch & dinner with a DJ.

As far as Brazilian drinks go, jugs of Caipirinha (a cane based spirit with lemons, crushed ice and sugar) are just right to set the scene on a sweltering summer's day. We have a comprehensive wine list for you to choose from and our resident barman has a number of unique Brazilian frothy dairy treats (with or without alcohol) as well as an exciting range of cocktails and special coffees. These are just a few ways that we at Rodizio can really spice up your Christmas bash. Dressing up, themes and decorating your tables are also an option to add something special to your Christmas party!
